STANDARDS OF PERSONAL BEHAVIOUR WITHIN YFC

Staffordshire YFC is a rural youth organisation that prides itself on giving young people the opportunity to learn and develop by participating in our many and varied activities.

We recognise that, in the majority of cases, members enjoy trouble free involvement with Staffordshire YFC. However, there may be occasions when unacceptable behaviour occurs at a YFC event or competition, and the **SCFYFC Policy on Standards of Personal Behaviour** is designed to deal with such incidents and minimise their occurrence by encouraging good behaviour and penalising unacceptable behaviour. **Please note that the Policy applies to ALL competitions and events organised by Staffordshire Young Farmers. To request a copy of the Policy please contact the County Office on 01785 248645.**

ALL CLUBS AND MEMBERS MUST ABIDE BY THE FOLLOWING WHEN TAKING PART IN ANY COMPETITION:

- Members taking part in either a SFYFC or NFYFC Competition at a County Round for another Club within the Staffordshire Federation may do so at their own discretion. They may not take part in the same competition for more than one Club.
- All members should refer to the NFYFC General Rules 2017/2018 for the complete details of eligibility for National Competitions. No members should compete for more than ONE COUNTY during a membership year.
- **Membership Cards** will be requested at all Competitions when booking in. As agreed at the County Executive Committee Meeting held on 27th March 2014, Item EX14/23, any member who does not produce a membership card, signed and with a photo inserted in it, will not be allowed to compete on the day of the competition. No exceptions will be made. It is the member's responsibility to ensure that their card has their photo in and is signed.

Further to the above regarding membership cards – the following was clarified at the Competitions Committee Meeting on 20th November 2014, CO14/060.

- If a member does not bring their card, at the point of signing in, then they cannot compete.
- A member will not be given the opportunity to return home to fetch their card, nor will time be allowed for someone to bring their card to them. This decision has been

taken from a safety aspect as the Federation do not wish to have members or parents speeding in vehicles with membership cards.

- If the member is part of a team, the team may still enter but less the member/s who have forgotten their card, if the competition allows it i.e. sports. In some competitions, i.e. debating, this would not be possible as the competition requires a certain number of members.
- At some competitions, it may be possible that the member would be able to take part on a practice-only basis i.e. carcass judging. This is at the discretion of the stewards on the day.

- **Membership Forms to the YFC Office** - As discussed and decided at the Executive Committee Meeting on 28th March 2014, EX14/023. Any competitor wishing to take part in a competition must join as a member to their club and it is the Club's responsibility to send the signed membership form into the County Office 3 working days prior to the competition. See below grid for deadline details.

Day of the Competition	Latest day the form is to be into the County Office during office hours.	<i>Please also consider that a Bank Holiday Monday is NOT a working day, therefore allow an extra day for the membership card to be processed, ie send the form in a day earlier. Please consider this around the time of the County Show and Annual Rally in particular.</i>
Monday	Wednesday before the competition	
Tuesday	Thursday before the competition	
Wednesday	Friday before the competition	
Thursday	Monday before the competition	
Friday	Tuesday before the competition	
Saturday	Wednesday before the competition	
Sunday	Wednesday before the competition	

- **Timekeeping** – as decided by the Competitions Committee at their meeting on 20th November 2014 (CO14/054). Clubs should note that a 30-minute limit is given from the booking in time stated. If a club or individual fails to turn up after this time, the club will be disqualified. Any team or individual that is running late should call the stewards as per the contact details given on the Information Sheet to inform them if they have a valid reason or extreme circumstances with regard to why they are late.
- If a Club does not notify the Office of their **Intention to withdraw** from a County Competition within 7 days of the date of that competition or fails to turn up on the day of the competition, 6 points will be deducted, and a £10 fine will be imposed (as agreed at the Executive Meeting held on 4th April, 1991). In addition to this, if a competition falls on a Saturday or Sunday, the YFC Office should be notified by the Friday of the previous week by 12noon, i.e. 8 days notice. As agreed at the Competitions Meeting 26.11.15.
- If a Club does not notify the Office of their **Intention to withdraw** from a County Competition within 7 days of the date of that competition or fails to turn up on the day of the competition, and there are costs for this competition, i.e. sports venues, umpires, hire of equipment, then the proportion of these costs incurred, will be invoiced to that Club, in addition to the £10 fine (as agreed at the Competitions Meeting 25th November 2010 CO10/60). This also applies should a team be forfeited due to a member not having a valid membership card present at the competition.
- **Trophies and Awards.** As per the NFU Insurance Policy, the following must be adhered to when receiving any awards or trophies which belong to SCFYFC, on behalf of a club or as an individual. All YFC Trophies owned or held by YFC Club's, County Federations, YFC Areas and the NFYFC are insured under the Insurance Policy provided by the NFU Mutual Insurance Scheme for YFCs. Whilst trophies are in YFC members' homes they are insured under the NFU Mutual Insurance Scheme for YFCs. Therefore members are not required to add the trophy to their own home insurance policy. There is a limit per trophy of £5,000. If you have a trophy with a valuation of more than £5,000 contact your local NFU Mutual branch office.

Important Note: Whilst trophies are insured on an All Risks basis, those YFC members in possession of a trophy do also hold the responsibility for ensuring that it is kept safely and securely at all times. This means trophies must never be left unattended at Meetings, Shows, Rallies or other events. Nor should they be left unattended in vehicles. It is important also that trophies are always returned, in person, or via another YFC member in person and are never shipped by Royal Mail or other carrier without consultation with the County Office, YFC Area or the NFYFC where a decision can be made after examining the valuation certificate – some trophies are simply too valuable to be shipped by courier or post!

For any lost trophies or awards, an Insurance Claim may have to be made by SCFYFC. In such circumstances, the £150 insurance excess must be paid by the Club if the award is awarded to a Club / team i.e. Stockjudging Cup. If it is awarded to a named individual ie Member of the Year Award or Merit Award, then the named individual who signed for the award is responsible.

The **costs of engraving** a trophy or award is to be met by the individual or club awarded. If this is not completed when the trophy or award is returned, SCFYFC will arrange invoice for the cost of the engraving back to the individual or club concerned.

- **Parental Consent Forms** will be requested at County, Area and NFYFC Competitions for anyone aged 17 or under on the day of the competition. It is the competitors' responsibility to obtain a Parental Consent form from the County Office and to produce it at the Competition. Forms must be presented to the Steward of the Competition at the point of signing in. Consent forms are available on the website www.staffsyoungfarmers.org.uk
- **NFYFC Rules** are on their website www.nfyfc.org.uk. It is the club/members responsibility to check the NFYFC Rules when taking part in a competition.
- The County may be advised by the Judges on the teams or individuals to be selected for the next round of an Area or NFYFC Competition. All competitors who placed in the competition will be notified prior to the next round.

WITHDRAWING FROM A WEST MIDLANDS AREA COMPETITION

If a team or individual does not notify the County Office of their intention to withdraw from an Area competition within one week of the date of that competition or fails to turn up on the day of the competition a £10 fine will be imposed (as agreed at the Executive Meeting held on 24th March 2005, EX05/22). Further fines may be imposed on that team/individual by West Midlands Area which again must be paid by the team or individual concerned.

WITHDRAWING FROM A NFYFC COMPETITION

If a team or individual does not notify the County Office of their intention to withdraw from an NFYFC competition within TWO weeks of the date of that competition a £25 fine will be imposed by NFYFC. Withdrawing within 48 hours of that competition, the fine is £40. For full details on this, refer to the NFYFC website <http://www.nfyfc.org.uk/CompetitorsInformation/Comps> and read the NFYFC General Rules. Further fines may be imposed on that team/individual by NFYFC which again must be paid by the team or individual concerned.

COMPLAINTS PROCEDURE

Any complaint with regard to the competition or results should be made to the Stewards on the day of the competition before leaving the site. The Judges' decision is final on all occasions. Please also refer to the SCFYFC Complaints Procedure. Copies are on the SCFYFC Website or from the County Office on request.

CLUB EFFICIENCY COMPETITION **RULES and GUIDELINES**

Competition aim: The aim of the Staffordshire County Federation of Young Farmers' Clubs (SCFYFC) Club Efficiency Competition is to encourage members, officers and clubs to work together as an effective team for the benefit of all.

What do we look for? We look at all aspects of how the clubs are run and hope to see good club administration and record keeping, strong leadership and governance and active promotion of the clubs through publicity and community engagement. We also want to see teamwork, ideas and enthusiasm from all club members.

How is it run and judged?

Eligibility: All OPEN clubs affiliated to SCFYFC are automatically included in the competition.

Timings: The competition follows the county AGM year starting in November each year and will finish at the Club AGM the following year.

Judges: The judges are proposed and elected at the Competitions Committee Meeting in June prior to the November. The judges will liaise with the County Office and County Officers as appropriate. The judges will be invited to attend all County Training evenings and receive copies of County Meetings during the year. The County Vice Chairman will also be asked to judge and visit the clubs during the year.

Awards: There are 3 levels of award (Bronze, Silver and Gold) and a trophy for the club that in the opinion of the judges has demonstrated the highest level of efficiency.

Clubs must satisfy all the requirements of one level in order to achieve that level. This does not mean that they have to achieve the maximum marks for each section. Each element within each section is worth 5 points. It is at the judge's discretion if they chose to award less than 5 points for an element.

Points can be gained from any section though out the year.

Clubs will receive a certificate reflecting their achievements at the County AGM held in October/November each year and the club with the most points will be awarded the Club Efficiency Shield.

Visits: Judges will aim to visit each club twice in the year and these will ideally be one business/members meeting and one social event as they see fit. No notification prior to the visits will be given. In addition to this, the Club AGM will also be judged as per the criteria.

The County Vice Chairman will particularly focus on the elements with * and will email a short report to the County Office which is to be shared with the Club Efficiency Judges as soon as possible after their visit. They may visit any kind of club event.

Scale of marks: A maximum of 740 marks will be awarded divided between 3 categories with additional marks for those meeting targets in the Silver and Gold categories:

Category	Maximum number of marks available			
	Bronze	Silver	Gold	
Club administration and record keeping	75	+25	+20	
Leadership and governance	315	+70	+60	
Publicity and community engagement	45	+45	+20	
Club AGM	45	-	-	
Club Representation	20	-	-	
	Total	500	+140	+100

Guidance on the various YFC roles is available from NFYFC, most notably The Source. Your County Organiser and County Officers will also be happy to provide advice and help to all clubs. A full breakdown of the criteria is emailed to all Club Officers in October of their year and can be requested on email from the YFC Office at any time.
