Blue Seal shearing courses 2018

YFC members can save more than 50% on training courses for their Blue Seal qualification thanks to support from British Wool

ABOUT THE COURSE

During the course you will receive an introduction to shearing. You will also cover health and safety and the use of shearing equipment, with demonstrations and hands-on practice. You will be supported one-to-one by an instructor.

There are a range of dedicated NFYFC courses but if these are too far away, or we do not have enough interest in one Area for a full YFC course, an alternative will be offered.

THE DISCOUNT

NFYFC members are being offered a two-day course for £80, at a discount of over 50%. To be eligible to take advantage of this offer you must be a current member of a Young Farmers' Club affiliated to NFYFC within England and Wales, and not have attended a course previously.

**The closing date for applications is
30 March 2018**
