

STAFFORDSHIRE FEDERATION OF YOUNG FARMERS' CLUBS

ANNUAL YFC RALLY

The Hollies Farm, Woodseaves, Stafford, ST20 0LH

By kind permission of Sandra & Roy Hockenhill

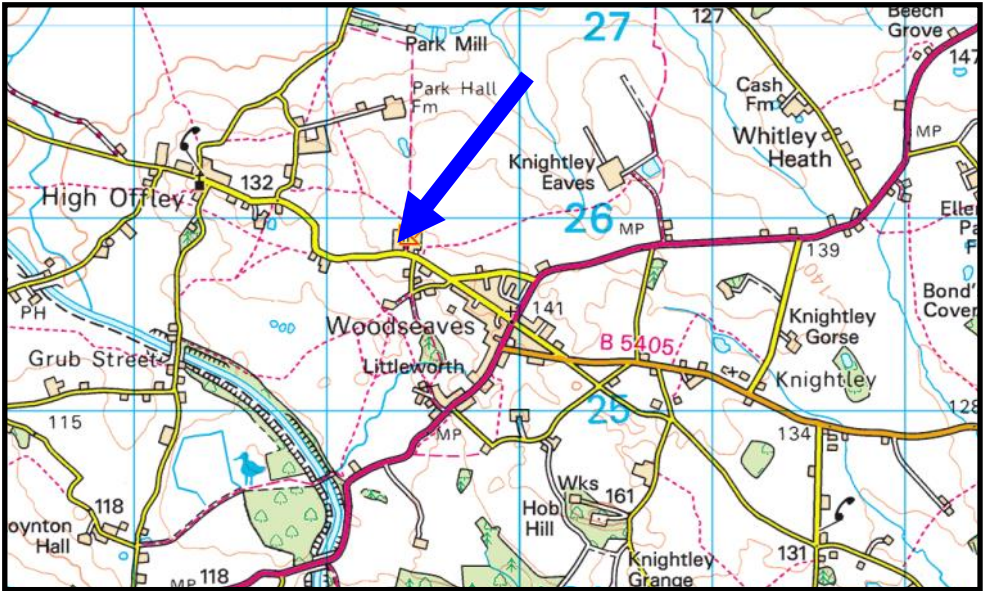

SATURDAY 13TH MAY 2023 - from 12noon

40 COMPETITIONS
including Crafts, Sports, Skills and Fun!

Main Sponsors

Malcolm Harrison

THE HOLLIES FARM, WOODSEAVES, STAFFORD, ST20 0LH

Just a friendly reminder. . .

We want our Rally to be as **safe** as possible, so we have carried out a **Risk Assessment** to try and identify all the hazards on the site and then estimated what the risks are and how we can best control them.

We therefore respectfully ask that you read the list of key points below and take note of all those that affect **you!**

- Only park in the official car-park.
- Take note of all the Warning and Information signs that have been put up.
- Anything dangerous or 'out of bounds' has been marked off with hazard tape - this warns people to keep **out** and is not a challenge to climb over!
- Please keep an eye on any youngsters who may go off 'exploring'.
- Please don't smoke anywhere near the buildings or the straw bales around the ring.
- Remember that some of the competitions involve the use of moving tractors or machinery being driven by competitors whose first thought is to win - give them a wide berth.

Remember that this is a working farm!

Finally, if you **do** see something wrong happening, or if you need any other information, then don't hesitate to contact us via the Booking-in Desk in the Static Exhibit Area or via the Main Ring Announcer.

Have a great Rally - but Safely!!

**Staffordshire Young Farmers would like to express their
thanks and appreciation to**

Sandra & Roy Hockenhull

for their kind hospitality in hosting this year's Rally.

**Thank you also to everyone who has helped in any way to make the day
a success.**

A M Dickinson & N C Brigg is an appointed representative of The National Farmers Union Mutual Insurance Society Limited (No. 111982).

Horsleys Removals

Horsleys Removals is a family run business, which was first established in 1895 and is currently run by the 5th Generation. Carrying out domestic and commercial moves to all European destinations, we also complete a tailored package, for the handling and shipping of effects to any destination in the world.

On site, we have a modern, fully containerised warehouse, protected by the latest surveillance and alarm systems, providing storage for household effects or archive files.

We can provide all the packaging materials required to move home and can carry out a full packing service if required. Our services tailored to meet your needs.

For your free, no obligation quote, please contact
