NOBUT HALL, LEIGH, NR UTTOXETER, ST10 4QH

Just a friendly reminder. . .

We want our Rally to be as **safe** as possible, so we have carried out a **Risk Assessment** to try and identify all the hazards on the site and then estimated what the risks are and how we can best control them.

We therefore respectfully ask that you read the list of key points below and take note of all those that affect **you!**

- Only park in the official car-park. Parking is opposite the site, Take care when crossing Nobut Road
- Take note of all the Warning and Information signs that have been put up.
- Anything dangerous or 'out of bounds' has been marked off with hazard tape - this warns people to keep **out** and is not a challenge to climb over!
- Please keep an eye on any youngsters who may go off 'exploring'.
- Please don't smoke anywhere near the buildings or the straw bales around the ring.
- Remember that some of the competitions involve the use of moving tractors or machinery being driven by competitors whose first thought is to win - give them a wide berth.

Remember that this is a working farm!

Finally, if you **do** see something wrong happening, or if you need any other information, then don't hesitate to contact us via the Booking-in Desk in the Static Exhibit Area or via the Main Ring Announcer.

Have a great Rally - but Safely!!

**Staffordshire Young Farmers would like to express their
thanks and appreciation to**

The Stubbs Family

for their kind hospitality in hosting this year's Rally.

**Thank you also to everyone who has helped in any way to make the day
a success.**
